Cuban exile Carlos Bringuier, local businessman and a figure in the Kennedy assassination probe, won a $5000 award against Canyon Books and Canyon Distributing Co. of New York for alleged "unwarranted, false, malicious and libelous attack" against author Harold Weisberg for his book "Oswald in New Orleans—Case for Conspiracy with the C.I.A." Judge David Gertler in Civil District Court, in ruling for Bringuier, did not rule against Weisberg for lack of jurisdiction.
